We are meeting internally on Friday at staff level and then will likely meet with Martin Hestmark sometime next week. I'd like to schedule an EPA, BLM and CDPHE meeting shortly thereafter – 1st week of March?? to discuss our collective response and next steps. Hopefully, by then each org has had some internal discussions with their management & legal counsel so we can have a productive discussion. Stay tuned.

Dear Gentlemen and State Director:

Please see the attached Letter. We greatly value the opportunity to continue to work collaboratively with you to improve water quality in the Animas River.

Regards.
